Uu
yaaah!!

Allow
me to re-
introduce
myself.

Shiro-
chan...

I've taught
Shiro a little
lesson for
using my
sea without
permission.

To put
it simply,
I am akin
to Sen's
superior.

I am
called
Sora.

For
thousands
of years I
have served
as a divine
messenger
fox.

My
name is
Naka-

I can
feel her
gravity
and
intensity

Now
that she
mentions
it...

Senko-
san's
superior
...!?

She's
surpris-
-ingly
small
...!?

Huh
?

Nowhere
safe to
look...

ちまっ

Even so,
there's
a lot to
her...

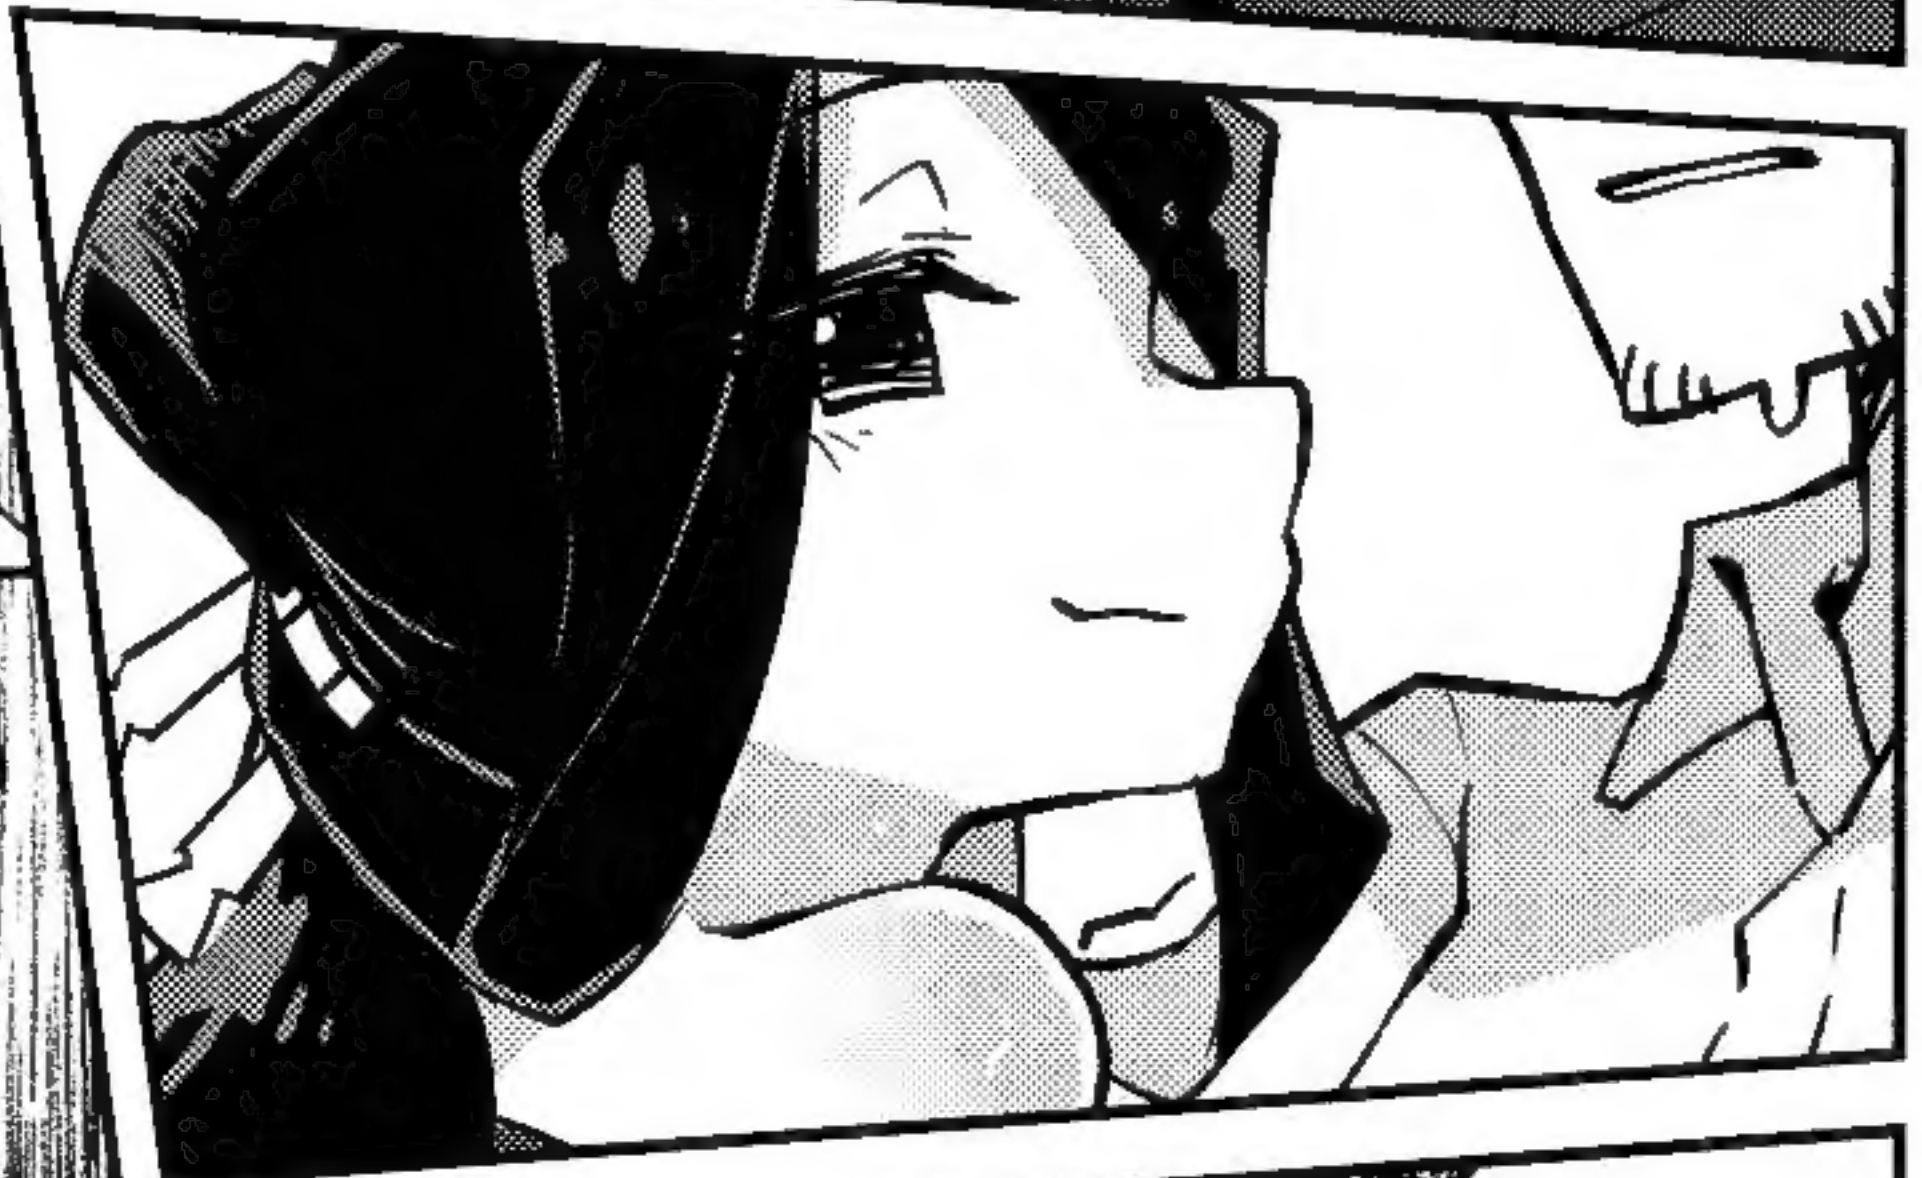

I COULD
PERFORM
THINGS FAR
BEYOND HER
CAPABILI-
TIES.

WERE I
TO SERVE
YOU IN HER
STEAD,

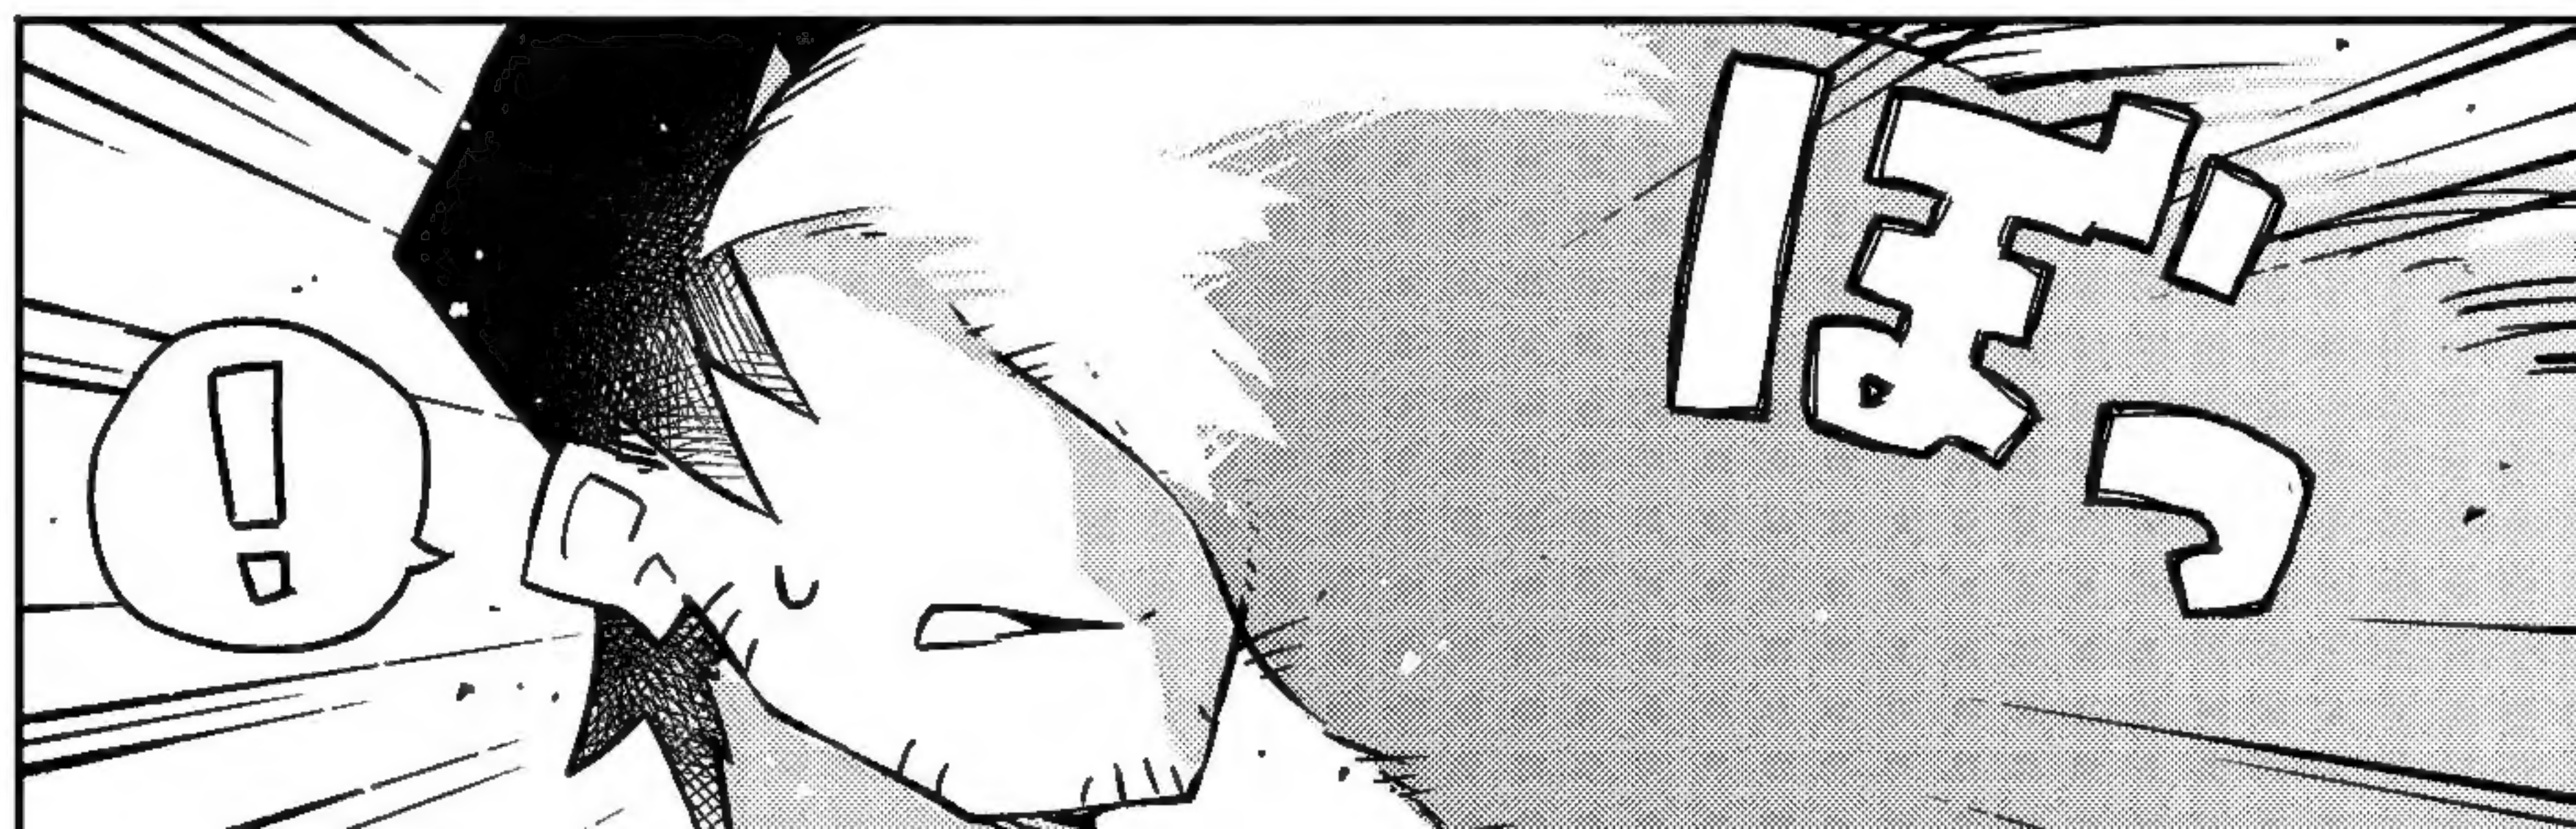

むっ

DO
YOU NOT
DESIRE
IT?

DO NOT
RESTRAIN
YOUR-
SELF.

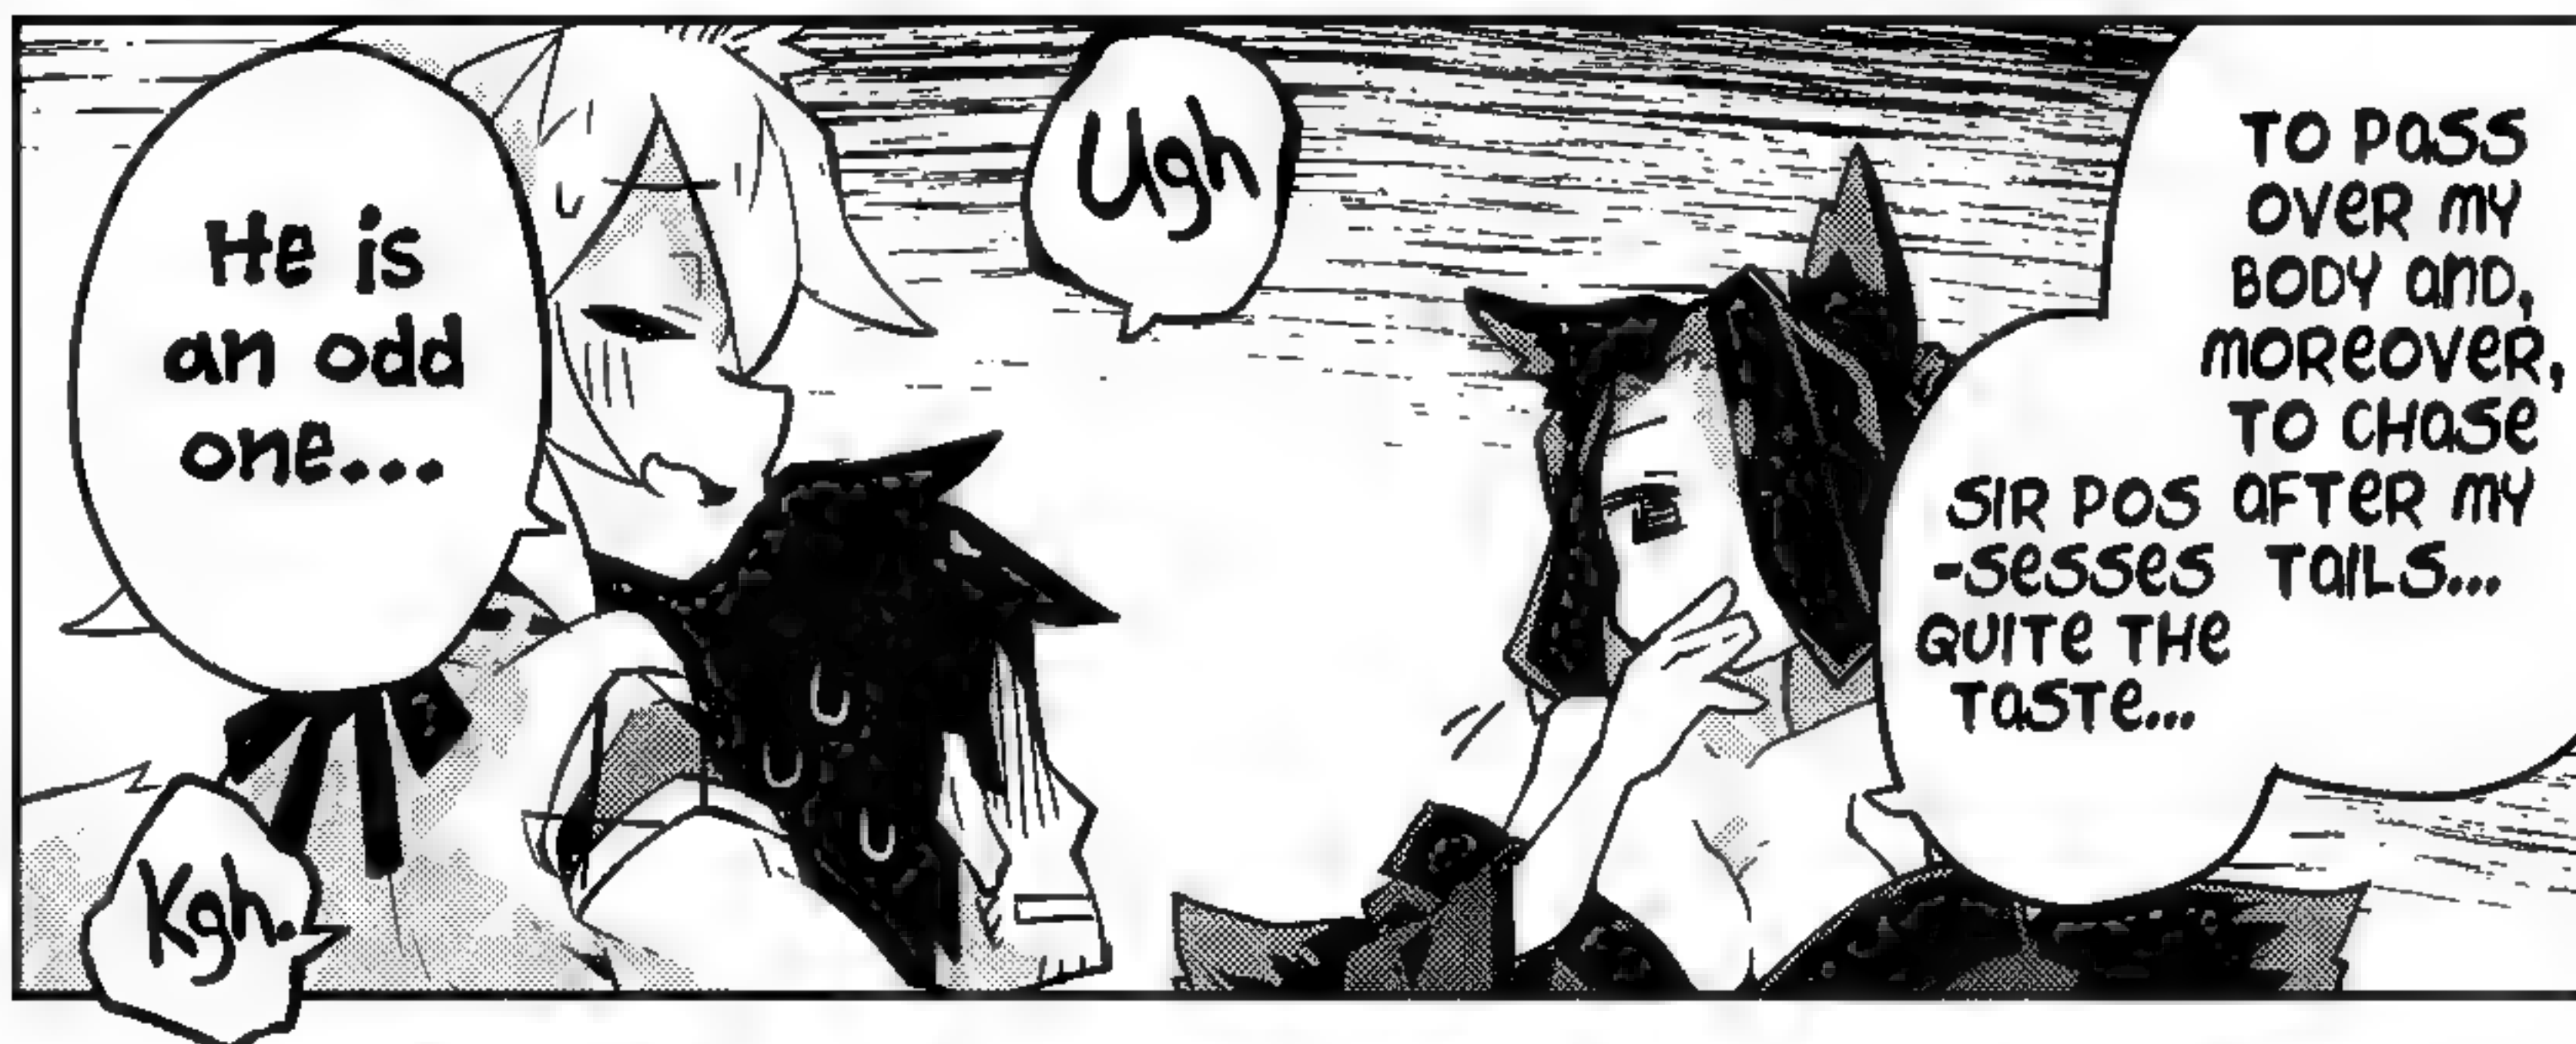

What a lovely display you've made.

How adorable.

Oh dear

He is an odd one...

Ugh

TO PASS OVER MY BODY AND, MOREOVER, TO CHASE SIR POS AFTER MY -SESSES TAILS... QUITE THE TASTE...

Kgh.

I had a word of advice for you.

Ah, yes,

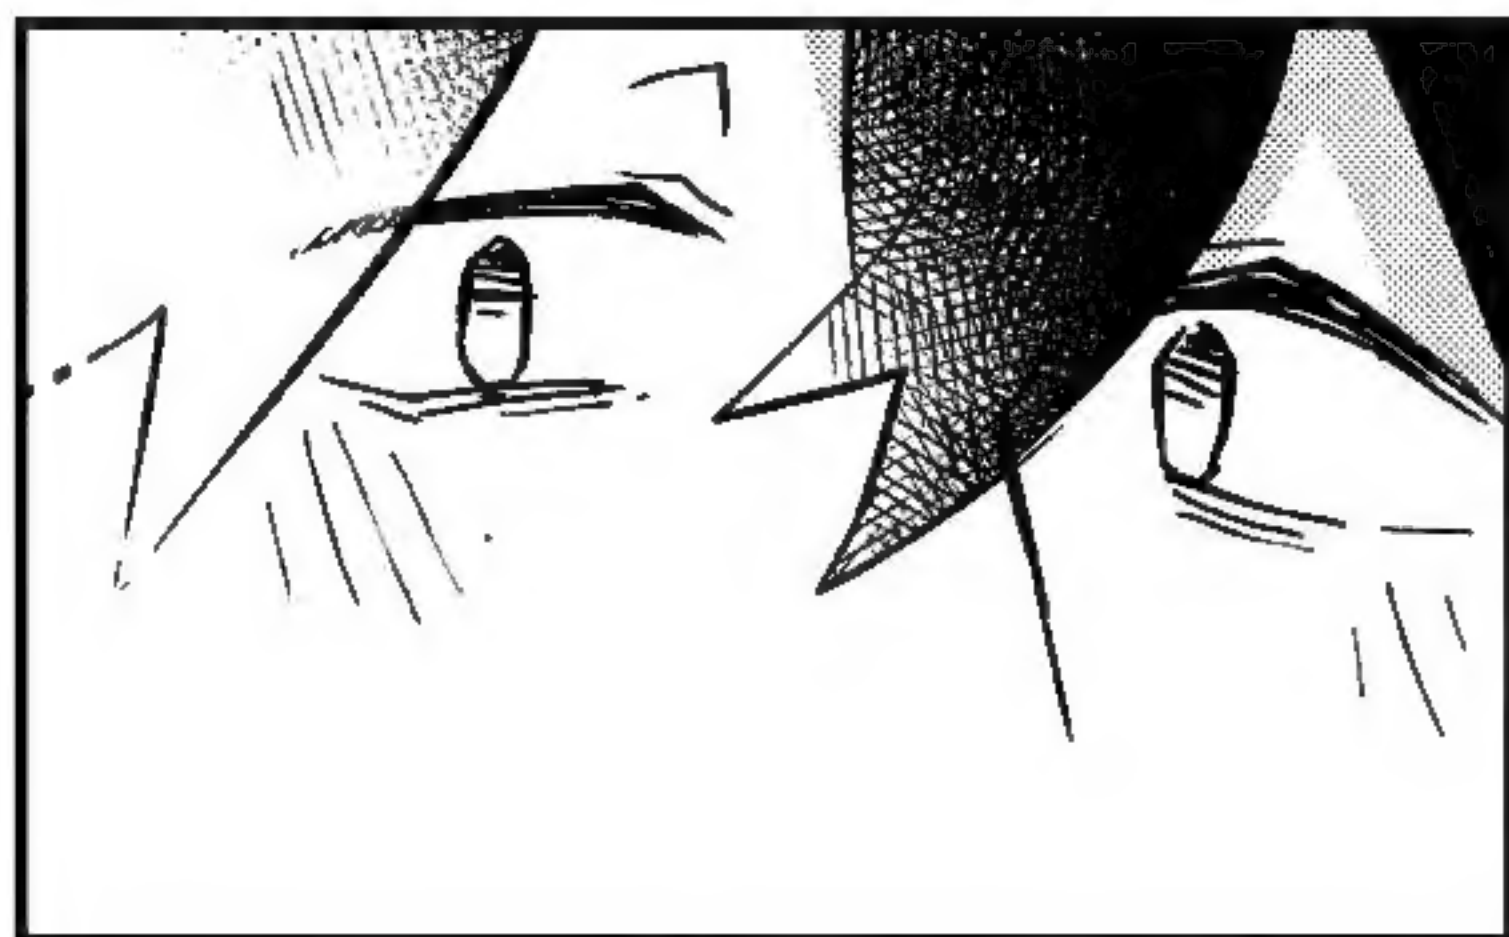

I shall take my leave before you fondle my precious tails.

SO
AS NOT
TO DRAW
ANY MIS-
FORTUNE
UPON
HIMSELF.

SIR
SHOULD
SPEND
HIS TIME
WITH SEN
CONSCIENTIOUSLY,

Now, let
us meet
again
later.

IT WOULD
BE MOST
TERRIBLE
IF YOU
WERE TO
CAUSE SEN
GRIEF.

I love Mommy Senko-san who still cook dinner even when she's mad...
